Compliment or no, here are some minor edits to the letter to the Editor/Op Ed. Also, talked w/Sheila and Marie and we discussed the possibility of having the FTP site w/the public comments live on the web at the same time we roll the data out next week. Ponder that.

On second thought, I agree with Ed and would put the questions at the end as he suggests. Remember that this is

also for the benefit of the long list of people cc'ed on the Dairy Feds' letter. Since I drafted the original questions, I also am also taking this as a complement from Ed, although I am sure he did not intend it as such.

Good work Bill - some suggested edits attached. I deleted the paragraph you were having trouble with and am suggesting attaching Dennis' letter to Ted and Dan which covers the same topics. Matt should have a copy of that letter.
